Entrepreneurship Development Cell

- Organized an Entrepreneurship Skill Development Program, an Awareness Program on MSME Scheme and Entrepreneurial Ventures using Natural Products.

The college Management believes in the wise words, ‘As you Sow, So You Reap’. To help the aspiring youth reap the rewards of their lives, the college has been sowed with the necessary ambience. Girls comprise 2/3 of the student’s strength. To help them have a sound mind and sound body – An indoor sports complex exclusively for girl students is being constructed at a cost of Rs.2.5cr with state of Art facilities. This will go a long way in helping the girl students soar never heights.

To provide the best learning atmosphere – the management spent Rs.40 lakhs to quip the Computer Labs with latest computers. To sail along the tide, and help the youth of this locale have access to Job Oriented Programme, we have started B.Sc. Data Science from the academic year 2024-25.

An ERP portal has been launched in our college in the academic year 2023 - 2024 to record students attendance and also to manage various administration activities efficiently.

Additionally CCTV cameras have been installed during the academic year 2024 - 2025 in our campus including class rooms, laboratories verandas etc.. to monitor the activities of the campus and ensure a secure and well disciplined learning environments.

To conclude, I thank everyone who have been part of the success of the institution and pray the Almighty to provide the college the means to serve the cause of higher education much better.

Thank you.
